MAKE A CHANGE

Why YOU should donate

Children entering foster don't have ANYTHING with them other than the clothes on their back. Giving them these boxes gives them a fresh start/new life, and eases the transition into foster care.

Who will this help? Foster Care Children in NC

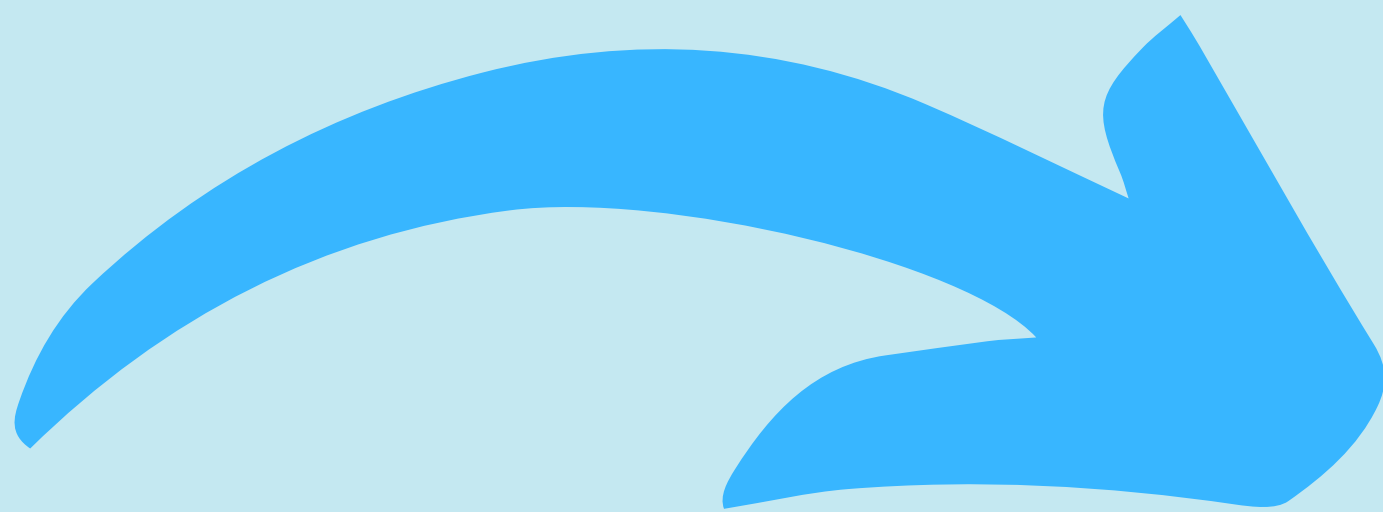

When can I donate? April 24-May 9 2025

Where can I donate? Bins will be located outside of the
DA Middle School Gateway Office

How can I donate? Purchase any listed materials and drop
them off at the gateway office, so we can turn them into care
packages! OR send a financial donation via Venmo, which we
will use to shop for materials for the care packages.
